Course Description  
Supervised individual research and preparation of an honours thesis. Incorporating material from the Communication and Media Studies 595 or Film Studies 595 paper to complete the honours thesis. This course may not be repeated for credit.  

Additional Information  
This course requires student participation in two components: seminar activities and independent research:  

1) The 597 seminar provides a collegial and supportive environment for discussion of thesis-related skills and issues. Students will participate in seminar, present a poster on Honours Day (April, TBA), and participate in the Honours Showcase event (Jan. 23).  

2) Students will also complete their independent research project under the supervision of a faculty member and co-direction of the honours program coordinator. At the end of the this project, the student will submit a written thesis of approximately 40-50 pages (in addition to bibliography and appendices) and participate in an oral examination of the thesis by a committee of three faculty members including the thesis supervisor.
NOTE: FILM 595 or Communication and Media Studies 595 and admission to the Honours Program is required.

**Objectives of the Course**
- To conduct a senior undergraduate-level independent research project, culminating in an honours thesis and oral examination.
- To learn about various research methods, thesis research and writing processes, and thesis structures and styles through seminar activities and thesis-related assignments.
- To learn how to effectively present one’s research in a thesis document, in oral presentation format, and in a poster presentation.

**Textbooks and Readings**
No textbooks are required, however students will be required to read materials for their thesis and to review each other’s drafts and presentations.

**Learning Technologies and Requirements**
& **Policy on the Use of Electronic Communication Devices**
This is an online course. In order to complete online (or blended) courses, University of Calgary students are required to have reliable access to the following technology:
- A computer with a supported operating system, as well as the latest security and malware updates, with current antivirus software enabled;
- Broadband internet connection, and a current and updated web browser;
- A webcam (built-in or external);
- A microphone and speaker (built-in or external), or headset with microphone.
Most current laptops will have a built-in webcam, speaker and microphone. If you need access to other software programs to complete assignments, your instructor will provide relevant information and links.

If you have technical difficulties, contact the university’s IT department. For more information, see [https://www.ucalgary.ca/pubs/calendar/current/student-campus-services-information-technologies-it.html](https://www.ucalgary.ca/pubs/calendar/current/student-campus-services-information-technologies-it.html)

Instructors may arrange to record synchronous zoom class sessions for lesson capture; however, students are not to share recordings with others. Please carefully review the section on Instructor Copyright at the end of this outline.

**Email**
When corresponding with the instructor via email, students should include the course name (FILM 597 or COMS 597) in the subject line. If you do not include the course name in your email’s subject line, your message may get overlooked in the instructor’s inbox and go unread. Please maintain a respectful tone in your correspondence with the instructor.

Email is most useful for specific inquiries. If you have more detailed questions about the course material, assignments, or grades, please schedule an appointment to speak with the instructor (via Zoom) during office hours or following class.

The instructor will respond to emails during the week, usually on a first-come, first-served basis. Emails sent in the evening or on weekends will not be read (or replied to) until the next working day.
Assignments and Evaluation
The thesis and oral exam must be completed in order to receive a passing grade in the course.

Registrar-scheduled Final Examination: No

Note: You must complete all assignments and exams or a course grade of F may be assigned at the discretion of the instructor.

If you miss a required course component, please contact your instructor as soon as possible.

Submission of Assignments
- Sections of your thesis and progress reports will be submitted directly to your thesis supervisor by email or as otherwise directed by them.
- 597 seminar documents will be submitted via D2L using the following file name format: 597-Draft01-LastnameFirstname.docx

Please submit all assignments electronically by uploading them to the designated D2L Dropbox (unless instructed otherwise in the assignment guidelines). Include your name and ID number on all assignments.

It is your responsibility to keep a copy of each submitted assignment and to ensure that you submit the proper version (particularly in courses requiring electronic submission).

Private information related to individual students is treated with the utmost regard by University of Calgary faculty. Student assignments will be accessible only by the authorized course faculty, and personal information is collected in accordance with the Freedom of Information and Protection of Privacy (FOIP) Act. Please note that instructors may use audio or video recorded for lesson capture, assessment of student learning, and self-assessment of teaching practices.

Policy for Late Assignments
Late assignments may reflect on the quality of your thesis and your final thesis grade, at the discretion of your supervisor. Upon consultation with your thesis supervisor and the honours coordinator, you may reschedule your deadline dates to accommodate the phases of research and writing for your particular thesis.

Student Accommodations
Students seeking an accommodation based on disability or medical concerns should contact Student Accessibility Services (SAS); SAS will process the request and issue letters of accommodation to instructors. For information on support services and accommodations for students with disabilities, visit www.ucalgary.ca/access/. Students who require an accommodation based on a protected ground other than disability should communicate this need in writing to their Instructor. The full policy on Student Accommodations is available at http://www.ucalgary.ca/policies/files/policies/student-accommodation-policy.pdf.

Students seeking accommodation for transient illnesses (e.g., the flu) or another legitimate reason should contact their instructors. Whenever possible, students should provide supporting documentation to support their request; however, instructors may not require that a medical note be presented. For the policy on supporting documentation the use of a statutory declaration, see Section M.1 of the University Calendar: https://www.ucalgary.ca/
Expectations for Writing
Department policy directs that all written assignments and, to a lesser extent, written exam responses be assessed at least partly on writing skills. Writing skills include not only surface correctness (grammar, punctuation, sentence structure, etc.) but also general clarity and organization and proper documentation of research sources. For further information, please refer to the University of Calgary Calendar section on writing across the curriculum: http://www.ucalgary.ca/pubs/calendar/current/e-2.html

Grading & Department of Communication, Media and Film Grade Scale
The only grade you will receive is from your thesis supervisor after the completion of the thesis and oral exam. Your grade in this course will largely rest on the quality of the written thesis, but your thesis supervisor will also take into consideration:

1. The evaluations of your two other committee members
2. Your performance at the oral exam
3. Participation in (a) the seminar, (b) meetings with your supervisor
4. Ability to meet deadlines (with accommodations as necessary)

Final grades are reported as letter grades.
In this course, final grades are reported as letter grades. The following chart outlines the grade scale percentage equivalents used in the Department of Communication, Media and Film. In calculating final grades in this course, the calculated percentage grade will be translated to the corresponding letter grade according to the Department of CMF grade scale equivalents (ex. a calculated percentage score of 84% will receive a final letter grade of B+).

Plagiarism
Using any source whatsoever without clearly documenting it is a serious academic offense. Consequences include failure on the assignment, failure in the course and possibly suspension or expulsion from the university. These requirements apply to all assignments and sources, including those in non-traditional formats such as Web pages or visual media.

You must document not only direct quotations but also paraphrases and ideas where they appear in your text. A reference list at the end is insufficient by itself. **In-text citations must be provided, and readers must be able to tell exactly where your words and ideas end and other people's words and ideas begin.** Wording taken directly from a source must be enclosed within quotation marks (or, for long quotations, presented in the format prescribed by the documentation style you are using). Paraphrased information must not follow the original wording and sentence structure with only slight word substitutions here and there.

For information on citation and documentation styles (MLA, APA, Chicago, IEEE, etc.), visit the Student Success Centre resource links at https://ucalgary.ca/student-services/student-success/writing-support or the Purdue Online Writing Lab (OWL) Research and Citation Resources at https://owl.purdue.edu/owl/research_and_citation/resources.html

If you need help with your writing or have questions about citing sources, please consult your instructor or visit the Student Success Centre, 3rd floor, Taylor Family Digital Library. To book an appointment, go to https://success.ucalgary.ca/home.htm

**Instructor Intellectual Property & Copyright Legislation**
Course materials created by the instructor (including course outlines, presentations and posted notes, labs, case studies, assignments and exams) remain the intellectual property of the instructor. These materials may NOT be reproduced, redistributed or copied without the explicit consent of the instructor. The posting of course materials to third party websites such as note-sharing sites without permission is prohibited. Sharing of extracts of these course materials with other students enrolled in the same course section and term may be allowed under fair dealing. Check with the instructor if you have any questions about sharing materials with classmates.

All students are required to read the University of Calgary policy on Acceptable Use of Material Protected by Copyright (www.ucalgary.ca/policies/files/policies/acceptable-use-of-material-protected-by-copyright.pdf) and requirements of the copyright act (https://laws-lois.justice.gc.ca/eng/acts/C-42/index.html) to ensure they are aware of the consequences of unauthorized sharing of course materials (including instructor notes, electronic versions of textbooks etc.). Students who use material protected by copyright in violation of this policy may be disciplined under the Non-Academic Misconduct Policy.

**Academic Misconduct**
For information on academic misconduct and its consequences, please see the University of Calgary Calendar at http://www.ucalgary.ca/pubs/calendar/current/k.html

**Research Ethics**
Whenever you perform research with human participants, including surveys, interviews, or observations as part of your university studies, you are responsible for obtaining research ethics approval and for following university research ethics guidelines. In some cases, your instructors may apply for course-based research ethics approval for certain assignments,
and in those cases, they must review and approve your research plans and supervise your research. For more information about your research ethics responsibilities, please see https://arts.ucalgary.ca/research/arts-researchers/resources-researchers-and-instructors/ethics

**Note:** If your thesis requires you to conduct any primary research involving human subjects (i.e., surveys, interviews, observations), OR to analyze data which is not publicly accessible without login or special permission from individuals or organizations (i.e., privacy-protected social media, or internal organizational documents), you must first obtain Faculty of Arts Research Ethics Committee approval.

- Do not recruit any participants or contact organizations until you obtain approval. Guidelines and forms are at: http://arts.ucalgary.ca/research/resources/ethics under “Individual Student Research”
- First, complete the Government of Canada Tri-Council Agency online training program at http://www.pre.ethics.gc.ca/eng/education/tutorial-didacticiel/
- By the October deadline, submit your ethics application to the Faculty of Arts Research Ethics Committee. Seek the guidance of your thesis supervisor and obtain their approval of your application. Include the Tri-Council certificate of completion in your application.

After submitting the application to the Faculty of Arts, be prepared to submit revisions requested by the committee; the review may take several weeks to process.

**Deferrals of Course Work and Requests for Reappraisal**
